

UNMASKED AT LAST.

Democrats Repudiate all Protection and Espouse Free Trade.

LET THE WORKINGMEN READ

And Reflect—The Plank Voted Down Declared that the Difference Between the Cost of Labor Here and Abroad Should be Considered in Framing Tariff Laws—The Plank Adopted Declares that the only Purpose for Tariff Should be Revenue, Which is the Tariff England Has.

Here is the portion of the tariff plank reported by the majority of the committee on resolutions which the Chicago convention voted down:

We reiterate the oft-repeated doctrine of the Democratic party, that the necessity of the Government is the only justification for taxation, and whenever a tax is unnecessary, it is unjustifiable; that when customs house taxation is levied upon articles of any kind produced in this country, THE DIFFERENCE BETWEEN THE COST OF LABOR HERE AND LABOR ABROAD, when such a difference exists, fully measures any possible benefits to labor, and the enormous additional impositions of the existing tariff fall with crushing force upon our farmers and workingmen, and for the mere advantage of the few whom it enriches, exacts from labor a grossly unjust share of the expense of the Government. And we demand such a revision of the tariff laws as will remove their iniquitous inequalities, lighten their oppressions and put them on a constitutional and equitable basis.

But, in making reduction in taxes, IT IS NOT PROPOSED TO INJURE ANY DOMESTIC INDUSTRIES, BUT RATHER TO PROMOTE THEIR HEALTHY GROWTH. From the foundation of this government the taxes collected at the custom house have been the chief source of federal revenue. Such they must continue to be. Moreover, many industries have come to rely upon legislation for successful continuance, so that ANY CHANGES OF LAW MUST BE AT EVERY STEP REGARDFUL OF THE LABOR AND CAPITAL THUS INVOLVED. The progress of reform must be subject in the execution to this plain dictate of justice.

BOLD, DISGUISED FREE TRADE.

Here is the tariff plank reported by the minority of the committee which the convention adopted as a substitute for the above:

We denounce Republican protection as a fraud—as a robbery of a great majority of the American people for the benefit of a few. WE DECLARE IT TO BE A FUNDAMENTAL PRINCIPLE OF THE DEMOCRATIC PARTY THAT THE GOVERNMENT HAS NO CONSTITUTIONAL POWER TO IMPOSE AND COLLECT A DOLLAR FOR TAX EXCEPT FOR PURPOSES OF REVENUE ONLY, and demand that the collection of such taxes be imposed by the government when only honestly and economically administered.

ANOTHER OF THE SAME SORT.

Here is an extract from the Constitution of the Confederate States, which, as will be seen, is as like the Chicago Democratic declaration as two peas:

The Congress shall have power to lay and collect taxes, duties, imposts and excises for revenue necessary to pay the debts, provide for the common defense, and carry on the government of the Confederate States; but no bounties shall be granted from the treasury, nor shall any duties or taxes on imports from foreign nations be laid to promote or foster any branch of industry.

LINCOLN COUNTY BEAUTIES

Meet on the Field of Honor—Five Shots Fired Without Effect.

CHARLESTON, W. Va., June 26.—Misses Gertrude Hager and Lizzie Spears are two of the handsomest young ladies in the section of Lincoln county in which they live. The long continued contest between them for social preference led to bitter enmity, and Miss Spears having recently made several conquests by her superior charms, her rival and bitter enemy, Miss Hager, could stand it no longer, and one day last week challenged the object of her hatred to mortal combat and fired five shots at her. She proved a bad shot and none of the shots took effect.

Miss Spears was before Justice Smith the day following for a warrant to restrain her enemy from further violence, and the end is not yet.

A Vandal's Act.

An exceedingly mean thing was done by some vandal some time after 11 o'clock Saturday night. Dr. Hildreth has recently laid in front of his new houses on Chapline street, south of Twelfth, a fine stone pavement. Somebody took a can of lubricating oil from a hoisting engine in the alley by the Odd Fellows' block and poured oil over the pavement, steps and even on the side of the house. It is very doubtful if the nasty stains can be removed. Even if the scoundrel who did it were caught, the law affords no really adequate penalty for such a malicious act.

To Organize a Branch.

H. W. Deane, supreme deputy at large of the Catholic Mutual Benevolent Association and editor of the C. M. B. A. Weekly, arrived in the city yesterday, accompanied by Joseph Dapper, president of Branch 49, of Pittsburgh. These gentlemen will endeavor to start branches of the order in this city, and meetings were held at St. Alphonsus and Immaculate Conception churches, and committees appointed to carry out the work. The branches will be organized this week.

A Springhouse Hobnob.

August Potzold, who lives just beyond the Baltimore and Ohio Company's Hempfield tunnel, yesterday informed the police that in the night somebody had broken the lock of his springhouse and stolen all the contents, butter, eggs and a quantity of vegetables and provisions. The only clue to the identity of the thief was that he had a very large foot and wore hob-nailed shoes.

Council Committees to Meet.

The Council committees on cemeteries, fire department and scales have been called to meet this evening. The committee on railroads will meet at 2:30 this afternoon at the corner of Twenty-first street and Alley A, and with them the solicitor, city engineer and the gentlemen interested in the proposed new switches to manufacturing establishments on the South Side.

TO REPUBLICANS.

It is part of the Democratic plan to challenge the vote of every Republican who has not been assessed under the new West Virginia election law. Don't let them find you unprepared.

IN THE CHURCHES.

Interesting Services of a Special Character Yesterday.

At the North street M. E. church yesterday morning Rev. J. F. Cheno- with, the pastor, preached a special sermon to the members of the various K. of P. lodges of the city, many of whom attended in a body.

Rev. C. W. Smith, editor of the Pittsburgh Christian Advocate, preached two able sermons at Thomson M. E. church, on the island, yesterday, in the absence of the pastor, Rev. Dr. Fullerton.

Rev. M. F. Dryden delivered a second address at I. O. O. F. hall yesterday afternoon, his theme being "Orthodoxy." He went more into detail on some particular points than in his first address telling why he rejected the tenets of orthodox Methodism.

Rev. William Anderson, D. D., of Edinburgh, Scotland, who has been a missionary in Africa for the U. P. church, preached an interesting sermon at the First Presbyterian church yesterday morning. He is the guest of his niece, the Misses Clohan, on the island. Last evening at the Chapline street M. E. church children's day was fittingly observed. The church was nicely decorated with flowers, and the exercises were very pleasant.

A FORMER WHEELING BOY.

Rev. Dr. Greer's Gratifying Success in New York City.

New York Correspondence Philadelphia Press.

The Rev. Dr. David H. Greer said to me this morning that he sent last night a letter of declination to the officers of Trinity Church, Boston, by whom he had been called to succeed Phillips Brooks in the pulpit. It was a most tempting offer which was made to Dr. Greer. No question of salary was raised; Dr. Greer could have had any salary which he felt he would be justified in asking for. He spent a day last week in Boston with the officers of the church and Bishop Brooks, and they laid before him the scope of the work which that great organization had in view and which they believed he could perform. Bishop Brooks urged him both on personal and on religious grounds to accept the offer, and my impression is that Dr. Greer was at one time tempted to go there. But he found that his parish in New York was bitterly opposed to his leaving them, and moreover a great scheme of church work and of moral endeavor in the parish has just been entered upon and it was felt that it would be a severe blow were Dr. Greer to leave at this time.

There are many churchmen in New York who believe that Dr. Greer, if he perseveres in the work he has undertaken here, is going to do something which will attract the attention of moralists, philanthropists and those of Christian endeavor in all places where the church has a foothold. He has been in New York only four years and has built up a great congregation, so great that it is probable that it will be necessary to erect a new church building in the near future, and when it is it is quite likely to be a specimen of church architecture as is Trinity of Boston.

Cornelius Vanderbilt, who is an earnest member of this congregation, is in entire accord with Dr. Greer in his church work.

Bridgeport.

The police for some time have been suspecting a certain house on the hillside, as not being of the best character, and last night decided to see if there was anything in it. The house was raided, and two people, the man giving the name of Charles Green and the woman that of Ella Gill, were arrested and jailed.

When the family of Grocer Green woke up yesterday morning it was found that the store had been entered and a lot of tobacco and cigars taken. The burglars had pried open the front door with a jimmy. The work is supposed to be that of some young boys, whom the police now have under surveillance.

The police court will adjudicate the cases of two drunks and two disorderlies this morning.

The latest information from the hospital is to the effect that his chances for recovery are very poor.—Steubenville Gazette.
